UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON
EUGENE DIVISION

DEBORAH FRISCH

CASE NO. 09-cv-6126-TC

Plaintiff

PLAINTIFF'S RESPONSE TO
DOCKET CLERK BRINN'S
OSTENSIBLE OFFICIAL
MISCONDUCT

CITY OF SPRINGFIELD, a municipal corporation,
ROBERT WEAVER, JUDSON WARDEN, DANIEL LONG,
CITY OF EUGENE, a municipal travesty, LANE COUNTY,
THUG HARCLEROAD, CRETIN MITCHELL, VERMIN GARDNER,
WRETCHES SAYDACK, VOLMERT AND MILLER et. al.

Defendants

Plaintiff shall henceforth refer to self as litigant since she is defendant, appellant or plaintiff, depending on which shyster-vermin she is dealing with. Litigant files this response to the order filed by Docket Clerk Brinn and signed by USDC-OR Magistrate Coffin deeming all pending motions (e.g., motions to rescind the half dozen first and fourteenth amendment harassing orders based on various false allegations about Sterling Pew, Liani Reeves, Christopher Henry and Sheryl Nogelmeir) moot since the frocked cowfucker in San Francisco denied the plaintiff's appeal. The cowfucker and its wretched frocked colleagues denied litigant's allegation that since the final judgment in the case was signed by Mary Moran, it is not a valid final judgment. Indeed, the final

judgment needs to be signed by an honest to god article three judge like Chief Judge/Zucchini Patch Slavemaster Ann L. Aiken or Senior Judge Michael Hogan and not by a mere magistrate like Coffin and certainly not by court staff like Forgerer (USDC-OR SO 2009-14, 11(12?).09) Moran.

Since litigant cannot believe that it is in the court's interest continue to non-consensually use Sterling, Christopher and the shyster-gook in Salem who is a whore for Isaiah Kroger's sick fuck daddy-o to continue to escalate the aggression against the litigant's rights that began on November 30, 2009 without the consent of Ms. Pew and Ms. Nogelmeier and escalated on May 10 and 17, 2010 to non-consensually include Mr. Pew, Ms. Reeves and Mr. Henry, litigant assumes that the mootness of all pending motions implies the rescinding of the disgusting, unjustified, revolting aggression against the litigant by Mr. Coffin on behalf of as-yet-unindicted-misdemeanors Fonberg-Weller and Weller-Fonberg on May 17, 2010.

THAT IS, EFFECTIVE IMMEDIATELY, litigant assumes that litigant has the right to do research on PACER whenever Karen McCowan or Caterina Rosenfeld or Frank Shliske (if he's out of jail yet) or Chuck Ringo has that right. LITIGANT NO LONGER CHOOSES TO COMPLY with the illegal first and fourteenth amendment harassment on May 14, 2010 by Gary Gleaves, who engaged in so much pathetic, inappropriate sexual banter disgusted as duck talk with Docket Clerk Brinn that made the litigant want to puke on many occasions. Get a room Gary and Laura you pathetic duck fans. While you're at it, get a life.

And speaking of Docket Clerk Brinn, it is beyond the litigant's comprehension that she would choose to continue to aggress against the litigant's right to do research on

PACER by false alleging damages to court staff. Once again, litigant HAS NO CHOICE but to conclude that the mootness of all pending motions DEMANDS that all unjustified harassment on behalf of C-word Klonoski needs to END IMMEDIATELY.

Litigant will file notice of appeal to the supreme court of the fraudulent judgment by cowfucker kozinski's whores next week. Litigant might wait until Monday to act on allegations above. But litigant might not. You never know what this litigant's gonna do. Dated this 14th day of October, 2010.
